NOTIFICATION.

The 11th September 1888.

Under Section 9, Chapter II, (State Forests) of the Forest Rules of 1878, the boundaries of the following newly demarcated Forests are published for general information :—

Boundaries of the Kukvada Ubrani State Forest—Situated in the Shimoga, Channagiri and Tarikere Taluks.

On the North.—The demarcation line starts at the 7th furlong of the 50th mile on the Channagiri-Benkipur road and is continued along it up to the 1st furlong stone at the same mile where it enters the jungle leaving Tippal Matti and fields of Rangapur and Kullapur to the left and Balekalgudda to the right and passing very close to it, joins the main road again at the 5th furlong of the 48th mile. Thence passing along the road as far as the 4th furlong of the 47th mile, it enters the jungle once more passing along the Ioladahal, Kukwada and Hossalli Mundaganhallu boundary lines it goes close to the bandhs which form the boundary of the villages of Kukwada, Hossalli and Mundaganhallu, thence going along the Sukalerhatti road as far as Somerayan Bhavi, it joins the track lying on the Komaranhallimatti and goes along it as far as the 3 bandhs lying close to Kablikatte road, thence it joins the cart track lying between Baddematti and Kaval Matti and passing along it for a distance and going round the arable land of Sivpurdahal and leaving all the cultivation of that village to the left the line passes near the bandhs of Diggenhalli, Mavinhole and Gandaganhanklu and then it joins the foot path from Mavinhole.

On the East.—From the above point it passes along the foot-path leading to Durgad Bassapur leaving the field No. 15 belonging to that village at a distance of 550 yards crosses the foot-path leading to Bileniruhalla, thence passing along the waste lands of Horehole crosses the foot-path leading to Chikmallali and Dodmallali, leaving Kendadaguda to the right, thence crossing the cart-track leading to Maruhole and leavieg Bilekalmatti to the right and Massikalmatti to the left passes along the Ganagittihalla and entering it near the path leading to Rakshehallu, thence it goes to Karekalbokke close to 3 bandhs lying near the path leading to Hireyettinakanve, leaving Karekatte to the left, and thence it passes close to Nerlekere and then passing along the Haladapan Mardi close to 3 bandhs joins the eastern spur of the Heggadalegudda direct, leaving all the cultivation to the left. Thence leaving Heggadalegudda to the right and passing very close to it joins a hill track leading to Adjampur road, and passing along the track as far as the Siddlipurgudda it joins the path leading to Malenhalli and passes along it as far as the village.

On the South.—From Malenhalli the line passes along the cart track leading to Madagittikan and thence it joins the foot-path leading from Ubrani to Nagenhalli and passing along it leaves it to left and after some distance joins the cart track leading from Nagenhalli to Mallalnarâvu, the line passes along this track southwards as far as Mutli and leaving that to the right it joins the road leading from Hadigere to Sidderhalli and passing along it as far as Sidderhalli arable lands.

On the West.—From Sidderhalli the line passes along the foot-path leading to Gungur as far as Tolehalla lying to the east of Gungur, passing close to it and leaving all the cultivation to the left as far as a tank lying close to Ubrani.—Gungur track, it passes close to the hills and leaving them to the right joins the Gangur-Budnehall cart track leaving all the cultivation to the left. Thence passing along the road as far as Budnehall it turns westward and passing through the survey numbers 17, 16, 12 and 11 of Belegeri encircles a Matti and passing through it joins a track to Kudligere leaving Kurguda to the right ; and passing along the road as far as Karimatti and thence passing close to it and leaving it to the left joins the path leading to Dyavanakere and passing along it joins the Channagiri-Benkipur road at the 7th furlong stone of the 50th mile the starting point.

Area 75 square miles. Distance round about 80 miles.

N. B.—A 6 feet line has been cut in most places and in others there are well defined paths and cart tracks.
